Airstream owners join the Airstream Club International (ACI) for many reasons...

The local Airstream Club of British Columbia plans numerous outings, camping weekends and caravans. Join in the opportunity to meet and travel with fellow Airstreamers and attend luncheons throughout the year.

In conjunction with over 140 other Airstream Club Units there are numerous events and travel opportunities available across Canada and the United States.

Your annual membership includes ten issues of the Blue Beret (official magazine of ACI). Also included is an annual ACI directory which identifies

free courtesy parking throughout North America, discounted campgrounds and much more. As well, you will receive a BC Unit roster and a monthly Unit newsletter.
